## **AUTOMATED 1099 FORM CREATION & FILING WITH INTEGRATION TO INFOR VISUAL**

**Spend less time filing your 1099s and more time growing your business!**

**Our comprehensive 1099 service includes:**

- Save time & virtually eliminate errors with integration to Infor VISUAL
- Elimination of manual form creation – includes the new 1099-NEC, 1099-MISC, etc.
- Free 1099 software will automatically check for issues that would cause rejections/audits
- Automatic & Secure E-Filing 1099 forms (federal & state) for as low as \$0.99 per form
- Optional recipient delivery

This year it is also imperative that you protect yourself, your employees, and your suppliers with contact-free 1099 E-filing powered by Aatrix Complete E-File Service. Eliminates the need to go to an office supply store, the post office, and the office printer with all the social distancing and sanitizing measures required this year.

**Filing your 1099s is as simple as 1-2-3:**

1. Download & use free 1099 software
2. Electronically pull data from VISUAL into 1099 software
3. Review & submit your filings

Stop spending multiple days completing, reviewing, and filing your 1099 forms. Minimize costs, maintain control, reduce errors, reduce time spent, and protect your employees, partners, and customers by creating 1099 forms and E-filing.

**Testimonials for the 1099 form creation, form review, E-file, and delivery service:**

*"Used to dread year end & 1099s - now I truly look forward to year end and being able to get these done in a timely manner!"*

*"This was very easy to use for the 1099s. I wish I would've tried this earlier because it was such a time saver and worth the small cost. We will definitely be using this product in the future!"*

*"I have been extremely pleased with the ease & quickness of getting our 1099s done! I wouldn't use another program :)"*
